**COMMENTS OF COMMONWEALTH EDISON COMPANY
ON “TARGET” RULE**

Commonwealth Edison Company (“ComEd”) submits these comments on the “target” final rule for net metering compiled by Staff. At the outset, ComEd would like to commend Staff for the yeoman work it undertook to attempt to obtain consensus from as many parties as possible on as many issues as possible and reflect the results in this document.

For the purposes of this initial round, ComEd will embed its comments in the text of this initial round, in the hope that that will be helpful to the Commission and the parties.

Respectfully submitted,

COMMONWEALTH EDISON COMPANY
